

## **Grandpa's Salve**

2 oz. bee's wax  
3 oz. oxide of zinc  
1 ½ oz. glycerin  
8 oz. olive oil  
8 oz. mutton tallow  
bergamont

Pulverize zinc oxide with knife blade. Melt bee's wax and tallow. Let cool. Add glycerin and olive oil, then add zinc oxide and desired amount of bergamont. Stir well. Bottle in glass jar.

“Recipe is from great-grandpa Arthur Woodford. It is said that his daughter, Bessie Woodford, fell into a fire when she was small and they used this salve on her burns, and she had no scars when it finally healed.”
